FROM THE PRINCIPAL

WELCOME

Welcome back for 2024, I trust that our families had an enjoyable break and enjoyed the opportunity to spend quality time with their families and friends.

A very special welcome to our new staff members and new students and their families. I have no doubt that our school community will welcome them all with open arms!

The new school year always begins with such anticipation and excitement, it has been wonderful to see and hear the children exploring their learning environments and playing cheerfully in the yard this week.

I look forward to another year where each and every student is provided with opportunities to learn, grow and have fun at our school with the support of parents and the wider school community. I wish you all every blessing for the school year ahead.

Loving God, with hope and confidence in our hearts, we celebrate this time of new beginnings. Be with us and guide us on our way. We ask this in Jesus' name. Amen.

NEW STAFF & STUDENTS

We warmly welcome two new staff members for 2024:

Miss Jessica Robinson, Middle School Teacher
Mrs Mary Gazzola, Middle School Teacher

I know that our community will make them feel very welcome and we look forward to an opportunity in the future to meet and greet and welcome them more officially.

We welcome two new Reception students, Gianni Staunton & Khai Murray, who on Monday had their very first day of

school. What a moment! We hope your school journey is wonderful, full of exploration, learning and fun!

We also welcome several new students in other grades and wish them and their families very well as they settle into our school community. Tyler Anderson, Year 3; Seth Anderson, Year 5; Milla Arrow, Year 5; Brock Burford, Year 5; Preston Arrow, Year 7; and Lacey Borg, Year 9.

SCHOOL FEES

You will receive an invoice for school fees in the next couple of weeks. The School Board, through advice from CESA, has kept our fees at the 2023 prices. Families will be invoiced the whole amount at the beginning of the year and you will be able to work towards paying off the full amount in whatever way works best for you. Helen is able to assist in setting up payment plans. We are proud of the discounts offered for siblings and school card families. Our aim, in alignment with Mary MacKillop's legacy, is to make our school a welcoming and affordable place for all. At the same time we need to ensure that the school operates in a financially sustainable manner that provides the best learning opportunities for all students. If you have any questions please do not hesitate to contact Helen Latham or Bec Fahey.

SCHOOL CARD

School Card Applications for 2024 are available at the front office or online. If you think you might be eligible, please see Helen or Kelly as soon as possible.

SCHOOL UNIFORM

Attached to this newsletter is a copy of our school's Uniform Policy. It is expected that **all** students will be in the correct school uniform each day, any short-term variances must be communicated in your child's diary or a phone call to the office to inform us of this. Thank you for your assistance in ensuring that the pride of our school is demonstrated through the adherence to the uniform policy. A reminder that all items are to be purchased from the School, with the exception of white socks and sneakers.

MOBILE PHONES

A reminder that mobile phones are not permitted at St Joseph's. If your child needs their phone whilst travelling to and from school that is absolutely fine, however, upon arrival at school it must be switched off and given to the front office or the classroom teacher to keep safe during the day. If a parent needs to contact a student during the day, they are required to phone the front office on 86518100. Please ensure that you read the Mobile Phone & Digital Devices Policy attached to today's newsletter.

LUNCH ORDERS & CANTEEN VOLUNTEERS

These will continue to be available **Monday, Wednesday and Friday** from the Kid's Café. In order to provide your child/ren with the opportunity to order lunches, we **rely on Parent volunteers** to run the canteen. You will find a reply slip in today's newsletter asking

Our Catholic Identity

GOSPEL VALUE

Faith

He replied, "Because you have so little faith. Truly I tell you, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there,' and it will move. Nothing will be impossible for you."

- Matthew 17:20

JOSEPHITE VALUE

Trust

The concept of radical trust comes from Mary MacKillop's conviction that God would always provide and that if she set her heart on loyal service of the Church and the vision of Jesus, then material needs would be taken care of.

Our Mission

MISSION – why we exist

It is our mission at St Joseph's School to embrace and build on Mary MacKillop's legacy. We will ensure excellence in teaching and learning, enabling all students to be thriving and capable citizens in their community.

you to volunteer some time to work in the canteen. **We are seeking volunteers for Mondays.** If you are new to working in the canteen, we have parents and staff that are willing to show you what is involved and will happily help any new volunteers. Monday and Wednesday we offer a variety of lunch order items and on Friday we offer sausage in bread and a fruit box. The price list for the canteen is available at the front office and on our school website at any time and is also included in today's newsletter. *Please note – volunteers must have a Working With Children Check.

HEALTHY SNACKS

As most of you will be aware, we allow students the opportunity to eat healthy food snacks and drink water during class. Allowing the students to eat fruit and vegetable snacks and drinking water helps sustain their thinking throughout the day. Furthermore, we want to support families in encouraging all of our students to make healthy eating choices, therefore, other types of food and drinks are not allowed during this time. Please ensure that your child has a water bottle at school every day.

WORKING WITH CHILDREN CLEARANCES

As with all Catholic schools we are a mandated child-safe environment with legal, policy and procedural requirements for staff and volunteers. In order to be a volunteer or be involved in school-based activities a working with children check is required. This includes LAP helpers, canteen workers, board members and other volunteers. Creating and maintaining a safe and supportive school environment is a priority. If you require a Working with Children Check Form, simply see the front office staff and we can organise it for you. You will need to do a 100 point check so please bring appropriate ID along with you. There is no cost for volunteers.

STUDENT CONTACT & MEDICAL DETAILS

As we begin a new school year, it is important that we review student contact and medical details and make sure that they are correct and up to date. Today you will find a copy of the current information that we have for your child/ren with the newsletter. Parents are asked to please review this information and send the form back so that we can update our records accordingly. Even if there are no changes to the information, we ask that the form be returned with 'no changes' written on it so that we can be sure that all families have received the form and reviewed it. Please return these forms by Monday 12th February (Week 3).

OPENING SCHOOL MASS

We will have our first official school event on Tuesday next week, 6th Feb. Our Opening School Mass will be held in St Anacletus Church at 9:30am. All parents and friends are warmly invited to join us on this special occasion. Our 2024 School leaders and SRC Representatives will be presented to the community, blessed and commissioned at the Mass.

CLASS LITURGIES & ASSEMBLIES

Each term, each class will host a Liturgy and an Assembly. An Assembly will include prayer and then will showcase student learning. It will be student led and we look forward to sharing classroom learning with Parents and Friends in this format. Each Friday at 9:15am we will have a Liturgy one week and then an Assembly the following week. Please check the Important Dates section of the newsletter to see which class is coming up. Please note that these times may change slightly on occasions but will be communicated through the newsletter or SeeSaw.

SPORTS DAY – **SAVE THE DATE**

This year we have planned our Sports Day to take place on **Friday 15th March**, Week 7. We will also host some 7/8/9 events the day before on Thursday 14th March. Further details will be shared closer to the date. We will need lots of volunteers as well so keep an eye out in future newsletters for a volunteer slip.

FAREWELL

As we return to school this term, we have some students who have relocated to other towns and or schools since we finished school last year and did our farewells at Graduation Mass. We wish Addison Miles, Lucas Jose, Dalton Smith and Ryder Duncan all the best at their new schools.

YOUNG CITIZEN OF THE YEAR

Congratulations to Year 4 student, Max Lock who received the Young Citizen of the Year Award for the Peterborough & Districts Council. A great achievement Max and acknowledgement of your dedication to your community. Special mention also to Year 9 student Shelby Marchant who was a nominee for this award as well. What a great future our community has with young people like Max and Shelby to look up to and follow in their footsteps!

NEW PRINCIPAL

Today there is a special community letter from our Director Nichii Mardon, announcing the appointment of the next Principal for St Joseph's School. This is a very exciting time and we look forward to welcoming the new Principal when they visit later in the term.

I am looking forward to my final term as Principal of this wonderful school, although I am not looking forward to saying goodbye in 11 weeks! Plenty of learning and leading to do before then though! ☺

CATHOLIC IDENTITY

2024 DIOCESAN THEME

Each year, the Schools in the Port Pirie Diocese have a theme that we use to focus on throughout the year. This year the theme is 'Let Your Light Shine'. The theme calls upon us to embrace God's mission, to strike the match, ignite the flame, sprinkle the salt and be the light within all of God's creation. We are all a part of so many different communities in our lives and each of those communities, be it family, school, sporting etc calls on us to shine our light to others, share our gifts and celebrate other people's gifts.

Our prayer for this year's theme is below, we will be using this prayer throughout our school this year.

Diocesan Prayer

Radiant God,
You bless us by shining Your light in us,
with us, and around us.
Your light brings compassion, warmth
and hope in times of lightness and
darkness.

May we embrace your mission to strike
the match, ignite the flame, sprinkle the
salt and be the light within Your
beautiful Creation.

As the salt of the earth, we are called to
flavour the lives of others through
sharing our gifts with us all.
Enable us to walk alongside others,
listen to their stories, light their way,
and celebrate their gifts.

Bless us and keep us.
May Your light shine on us and be
gracious to us.
Look kindly upon us and give us peace.
Let our light shine!

Amen.

SCHOOL NEWS

PBIS – POSITIVE BEHAVIOUR INTERVENTIONS and SUPPORTS

Last year, our staff began participating in a project focussed on supporting students behavioural, academic, social, emotional and mental health. Bec Fahey, Kylie Wells and Nicki Morgan have lead the project and attended several Professional Learning days to then bring back to school and work with staff, students and parents with a focus on our key school belief statements and teaching and learning about behaviour expectations.

This project is ongoing and there are still training days to attend, however we have a lot happening within the school focused on our belief statements and teaching particular behaviour based on data collected by staff.

The image to the right shows our four key belief statements about how we expect every member of the St Joseph's School community to be. We have used the acronym CARE and then each letter represents how we can show CARE at St Joseph's.

We expect all members of our community to **Care** for self, others & the environment; to **Actively Learn**; to **Respect** self, others & the environment; and that **Everyone** is safe & welcome.

As the year progresses, you will become more accustomed to hearing these beliefs and students and teachers will be undertaking teaching and learning focussed on specific behaviours. If a child doesn't know how to read, we teach them. It is just the same with behaviour, if a child doesn't know how to behave in the expected way, we need to teach them. This approach is research based and evidenced and many schools across the country have implemented it with great success.

The staff have developed a matrix which delves deeper into what behaviours are expected in particular areas across the school. As we finalise this and develop it further, we will share it with our parent community.

This year we will also be introducing CARE Awards and at Class Assemblies each fortnight (approximately) students will be acknowledged for their efforts to demonstrate our beliefs of C.A.R.E at St Joseph's.

We look forward to sharing more with you as the year progresses!

UNIFORM POLICY

At St Joseph’s School the presentation of our students is important. The uniform policy exists to ensure appropriate and safe standards of dress. All students who attend St Joseph’s School must wear the approved school uniform. The wearing of our school uniform is a requirement as stated in the enrolment forms but more importantly is one way we can all take pride in our school.

Compulsory enforcement of our uniform policy enables consistency in dress standards throughout the school and is a way of identifying students who are part of the St Joseph’s community. If for any reason your child is unable to wear a particular item of our school uniform, they should provide a note from their parent/caregiver advising the school of the situation and take appropriate steps to correct the uniform as soon as possible. This is not permission to wear incorrect items for an extended period of time.

This Uniform Policy also addresses accessories which are acceptable. Again, approval of such accessories takes into account the safety, both physical and environmental, of each child.

To ensure consistency for students and across the school **all clothing items must be purchased through the school.** Therefore, similar items of clothing purchased from other sources will be deemed as not correct school uniform.

Earrings	Jewellery	Hair
Students are only permitted to wear no more than one stud/sleeper in the lower ear lobe. Stud to be plain silver/gold or can have a school coloured stone (blue/gold)	Students are permitted to wear a necklace but it needs to be worn under the shirt. Wrist watches are allowed to be worn also.	Shoulder length hair must be tied back with a natural hair colour or school colour ribbon. (Navy/gold)
Make-Up	Nail Polish	
Students are not permitted to wear any form of facial make-up. Sunscreen and moisturiser are allowed.	Students are not permitted to wear nail polish or artificial nails.	

Uniform 6-9 – Commemorative Items

In **Year 6**, students design a special Polo shirt and Jumper that can be worn as part of their school uniform. This is to recognise their final year of Primary School. This is a special item of the uniform that can be worn from Year

6 through to the end of Year 9.

In **Year 9**, students will also design their own polo and jumper as a symbol of their final year of Schooling at St Joseph's School.

These items of uniform are only able to be purchased at Year 6 and Year 9.

All other items of the uniform are to be worn from R-9. These commemorative items are unique to Yr 6-9 and are worn in addition to the regular uniform.

Please make sure that all uniforms are clearly marked with your child's name.

MOBILE DIGITAL DEVICES POLICY

Definitions

'Mobile digital devices' are hand-held electronic devices that can generate, receive, store, process and send digital information, including photos and videos. Under this policy, mobile digital devices include smartphones, smartwatches and mobile tablets but not Chromebooks or laptops. (Carr-Gregg, 2008). This policy makes a distinction between personal devices that often have independent internet connectivity which bypasses the school internet filter and devices that are provided by the school and or authorized by the school as part of teacher-directed educational activities.

Rationale

Mobile digital devices are an important communication medium and have significant benefits for use in the broader community. Some of the benefits include:

- Aids to wellbeing
- Connection to peer networks and communities of interest
- Personal safety
- Digital literacy
- Access to information
- Communication benefits
(Carr-Gregg, 2018)

However, research has found that "Mobile digital device use in schools has the potential to disrupt student wellbeing and affect the education of the 'whole child'" (Griffiths & Williams, 2018). In particular, some of the significant risks and harms of mobile digital devices include:

- Distraction from school work
- Impediment to good physical health
- Negative impact on mental health
- Decreased face-to face social interaction
- Exposure to inappropriate material
- Cyberbullying
(Griffiths & Williams, 2018)

Guidelines

- Students are not to use mobile digital devices on school grounds during school hours, this includes during lesson times, recess, lunchtime, in between lessons or during afterschool study.
 - *School grounds extends to school excursions, sports carnivals, and other events off the school site, where an approved school activity takes place.*
- If a student chooses to bring their mobile digital device(s) to school:
 - R-6 students will need to turn their mobile digital device(s) off or on silent and hand in at the front office where it will be safely stored until the end of the day.
 - 7-9 students will need to turn their mobile digital device(s) off or on silent and have them locked in the student's locker and must not be accessed during school hours.
- Mobile digital devices are brought to St Joseph's School at the owner's own risk. No liability will be accepted by the School in the event of loss, theft or damage of the mobile digital device.
- Students are discouraged from using their mobile digital devices whilst walking or riding to and from the School. There are significant safety risks associated with walking and riding whilst texting, messaging, being on the internet or listening to music with earbuds or headphones

- Students are reminded that when mobile digital devices are used outside of school hours they must be used in a manner consistent with the School's Anti-Bullying & Harassment, Behaviour Education and Personal Responsibility and Intervention, Computer & Internet and Learning Technologies policies.
- Normally, a parent should not communicate with their child during school hours. In the event of an emergency, parents are requested to contact the School Front office, advise them of the nature of the emergency and staff members will facilitate communications with their child. Parents should be aware that calls or messages to their child's mobile device will not be accessed until the end of the school day.

Procedure

- Students who choose to use their mobile digital devices for any reason will first be issued with a warning. Teacher will record the breach of procedure on SEQTA.
- Students who choose to use their mobile digital devices for any reason on a second occasion within a calendar year will have their device confiscated. It will be stored safely in the front office and will be able to be collected by a parent/caregiver at the end of the day. Teacher will record the breach of procedure on SEQTA
- Students who choose to use their mobile digital devices for any reason on more than two occasions will have their phone confiscated. It will be stored safely in the front office and will be able to be collected by a parent/caregiver at the end of the day. If the student is in R-6 the parents will be informed that the child is no longer permitted to bring the device to school. If the student is in 7-9 they will no longer be permitted to leave their device in their locker and will instead need to hand their device in to the front office at the start of each day. They can then collect it again at the end of the day.
- Any further breaches of these expectations by 7-9 students will result in the device no longer being permitted at school.
- Exemptions to this policy for medical purposes maybe given after direct negotiation between parent/carer and the Principal.

Responsibilities

Students

- Are expected to follow the guidelines outlined above.

All Staff

- Model appropriate behaviour at all times;
- It is expected that staff mobile phones are either switched off or on silent during meetings, school functions and lessons, so there is minimal distraction to others.
- When in a supervisory capacity, it is inappropriate for staff to engage in personal communication other than in an emergency.

Teaching Staff

- Ensure all students are provided with ICT Agreements, that they understand them, and that they understand the will face consequences in the event they misuse ICT equipment and devices;
- Deal with all reported and observed incidents of inappropriate mobile digital device use in accordance with this policy; and
- Ensure that any incident of inappropriate mobile digital device use that they observe or is reported to them, is recorded appropriately on SEQTA.

Parents/Caregivers

- The decision to provide a mobile phone and other electronic equipment to their children should be made by parents/caregivers.
- Parents/Caregivers should be aware if their child takes a mobile phone or other electronic equipment onto St Joseph's School premises.
- Parents are asked to contact their child only through the St Joseph's School landline 86518100 during school hours not via their child's mobile phone.
- As a courtesy, parents are asked to turn off phones or switch to silent when attending St Joseph's School functions and meetings.
